

RESEARCH TRENDS

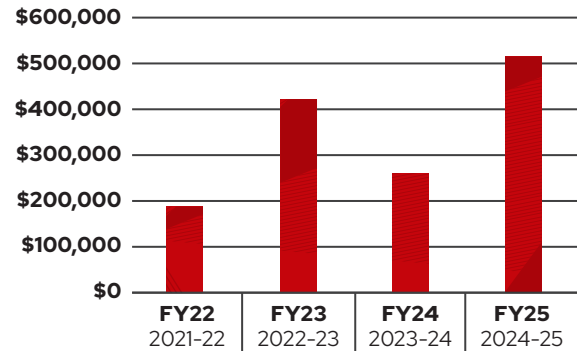

FUNDED RESEARCH

\$4 MILLION IN NEW AWARDS

19 ACTIVE FUNDED RESEARCH PROJECTS
in 2024-2025

94% increase in funding
awarded by campus in FY25

EARLY CAREER RESEARCH SUCCESS

88%
OF ASSISTANT PROFESSORS AND POSTDOCS
had active funded research projects in FY25

A GROWING PORTFOLIO: Research and Scholarship Projects Shaping Health Care and Essential Work

AMPLIFYING COMMUNITY VOICES IN RESEARCH

1/3 OF RESEARCHERS
actively engage with community advisory boards

WISCONSIN NETWORK FOR RESEARCH SUPPORT (WINRS)

- Supported **66 projects** through grant preparation, meeting facilitation, community advisory board development, and dissemination.
- Co-facilitated **12 meetings** of the **Boards of Older Adult Advisors (BOAAs)**, two community advisory boards organized by the **Center for Aging Research and Education**.
- Coordinated **30 Community Advisors on Research Design and Strategies (CARDS)** meetings, over half of which were with researchers who had never utilized the CARDS before.

DISSEMINATION

127 peer-reviewed publications
authored by SoN faculty in FY25

175 presentations
delivered by SoN faculty in FY25

Faculty are committed to **innovation**, **scientific discovery**, and the dissemination and implementation of **findings**.

ADVANCING IMPACT

RESEARCH STRATEGIC FRAMEWORK

2025-2030 School of Nursing Strategic Goal Advance impactful research and scholarship

Research Strategic Directions

Building a more vibrant and collective community for nursing research

Developing research partnerships with communities and organizations to accelerate research relevance, impact, and innovation

Advancing the School's reputation for high quality and impactful research

Strengthening our research infrastructure to support nursing research programs and partnerships

Aspirations for our Research Enterprise

FACULTY EXCELLENCE

SUSTAINED GROWTH IN FUNDING

AN ENGAGED COMMUNITY OF SCHOLARS

ADVANCED RESEARCH INFRASTRUCTURE

IMPACTFUL PARTNERSHIPS

A REPUTATION FOR RESEARCH EXCELLENCE

DIVERSIFYING FUNDING PORTFOLIOS

57% funding success rate

across academic, outreach, and professional development proposals – all were awarded by foundation sponsors

SELECTED HONORS

Dr. Linda D. Oakley received the UW–Madison School of Nursing Canary Savage Girardeau Award for Health Equity, Diversity, and Inclusion
